## Support Opportunities

The International Society for Magnetic Resonance in Medicine (ISMRM) is committed to promoting communication, research, development, applications, and the availability of information on magnetic resonance in medicine and biology and other related topics internationally; to developing and providing channels and facilities for continuing education and communication in the field; and to ensuring that scientists and clinicians

working in the field have equal and fair opportunities to contribute to it.

In appreciation of your donation of US\$200 or more to the ISMRM Research & Education Fund, we invite you to enjoy the ISMRM Donor Lounge onsite at **Suntec Singapore**. See an ISMRM representative at the registration desk to make a donation and receive your invitation to the Donor Lounge.

Drop your donation off at the registration desk or donate online by logging on and clicking on “+My Donations” button in our [online services system](#).
