

2024 Exhibitor

Security

ISMRM will provide one security guard at the entrance of the exhibit hall during open hours and an additional roving guard during closed hours only throughout the exhibition, as well as during set-up and dismantle times.

If individual security needs are required for an exhibitor's booth, the exhibitor should contact ISMRM's Director of Meetings Jennifer Clark, at jennifer@ismrm.org.

The ISMRM is not responsible for any loss of or damage to any property, for any cause.

Please make sure that additional security measures are in place for booths that include valuable displays during off hours on the exhibition floor.
